MUJEEB KARIM SAYED

SENIOR MOTION DESIGNER & EDITOR

05 PROFILE

Dubai-based Senior Motion Designer and Editor with 20+ years of experience bringing brand stories to life across the Middle East. I lead motion and video projects from concept to final frame, combining storytelling, animation, editing, colour and sound, and bring AI video generation into the process without compromising on craft.

06 SELECTED CLIENTS

Netflix / Disney+ / Bloom / Red Sea Film Festival / RCU / Etisalat (e&) / ADCB / Ooredoo

07 EXPERIENCE

Senior Motion Designer & Editor

Science & Sunshine

2022 - Present

- Lead motion design and editing for brand, entertainment and social campaigns, from storyboard to final master.
- Cut KSA and MENA promos for Netflix and Disney+ titles, including The Bear and The Veil, in Arabic and English.
- Own Bloom's full social calendar and edited launch films for the Red Sea Film Festival and RCU.
- Built AI video generation into the agency pipeline, and mentor junior animators and editors.

Senior Digital Designer (Motion & Video)

Impact BBD0

2018 - 2022

- Created animatics, in-mall videos and campaign films for Etisalat, the region's most valuable brand.
- Led brand motion for Etisalat products including Smiles, Swype and eWallet, plus UI/UX for its digital products.

08 EARLIER EXPERIENCE

Lead Designer · Centric

2015 - 2018

Led a design team producing pitch films and animations for new business.

Lead Designer · Flip Media (Publicis Groupe)

2010 - 2015

Led video, animation and UI design for clients including ADCB and Ooredoo.

Senior Designer · LRN

2005 - 2010

Led design and animation for e-learning projects.
